### SELECT THE MERCHANDISE YOU NEED

After selecting the merchandise you want to order, consult the price guide for costs and ordering details.

### INTRICATE CUSTOM ORDERS

To ensure correct fulfillment of your order custom orders must be submitted in writing accompanied by a purchase order, either by mail, fax or email. The use of our custom order forms (available on the website) is recommended. All custom orders are payable with MasterCard, VISA, American Express, Discover or prepay with money order or cashier's check until credit is established.

### PLEASE INCLUDE THIS INFORMATION

When ordering by phone or by mail we will need the following information to speed the process:

- |                             |                        |             |              |
|-----------------------------|------------------------|-------------|--------------|
| 1) Your Customer Number     | 4) Billing Address     | 7) Style    | 10) Quantity |
| 2) Your Area Code and Phone | 5) Method of Shipment  | 8) Material | 11) Color    |
| 3) Shipping Address         | 6) Merchandise Desired | 9) Size     |              |

We cannot be held responsible for errors on phone orders. To ensure accuracy, we recommend written purchase orders or written confirmation whenever possible.

ALL CUSTOM ORDERS REQUIRE WRITTEN PURCHASE ORDERS WITH ARTWORK.

### SHIPPING

Our standard shipping method is via UPS. Orders will be shipped via UPS Ground unless otherwise requested. A \$4.00 fee will be added to all drop-ship orders, \$1.50 charge on every invoice for will-call orders. Shipping method does not affect production time. Dalco may ship your order in separate boxes.

**Correction orders will be shipped with the same shipping method as the original order.**

### MINIMUM ORDERS

**Every order submitted must meet a \$30.00 minimum (plus freight).** Because orders go directly into our computer system and are fulfilled immediately, there are no add-ons or charges of any kind. Cancelled orders will incur a \$10.00 fee. A handling fee of \$3.25 will be added to all orders less than \$100.00.

### PACKS

Our stock letters and numbers are sold in packs, as detailed in this catalog. Packs cannot be broken.

### BACK ORDERS

Back orders will be cancelled upon request only. We will make every effort to contact you before shipping. Back orders will be billed a separate freight charge.

### TERMS

All payment methods will be MasterCard, VISA, American Express or Discover. Terms (Net 30) or Check By Fax will be considered with approved credit application. Prices are subject to change without notice and are F.O.B. our factory. Shipments will be held up on accounts which run past due. Overdue balances will be subject to finance charges. Returned check fee \$30.00. Invoices for credit card or prepaid orders will be delivered by email, so please provide a valid email address if you want to receive them.

### PAYMENTS

To ensure proper credit of payments, please include your customer number and invoice number on all checks.

### BILLING ERRORS

We must be notified within 15 days of receipt of invoice of any errors in billing.

### ★ RETURNS ★

**Request for returns must be made within 15 days of invoice date. All returns must be identified with a return authorization number and are subject to a 25% restocking fee. Credit will be issued only after inspection of returned merchandise. Custom or non-stock items are non-returnable. If returns are not received within 15 days of the date on the return authorization, customer will be responsible for payment or merchandise. No call tags are issued.**

# LOOKIN' GOOD, SPORT

# Heat-Applied Materials

Pre-spaced letters are the perfect

solution to the positioning problem

- simply place and apply heat.

Heat-applied materials are great for

player and team names, numbers

and designs. Dalco's pricing gives

you a competitive edge. And the

convenience of pre-spacing and the

ease-of-care that comes with wash-

able materials make great choices

for a variety of situations.

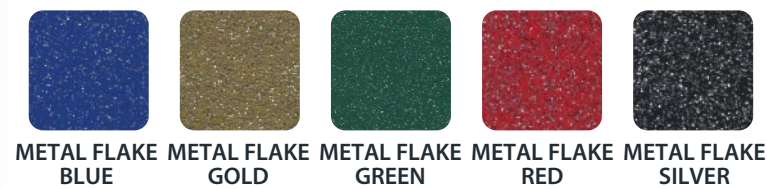

## PermaCad™

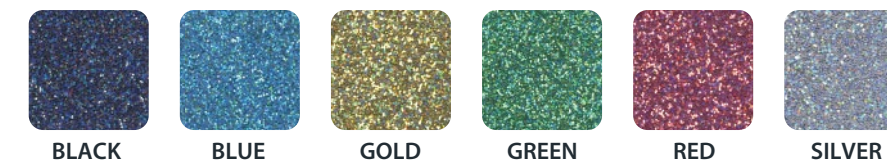

## Dal-Plus™ Matte Finish / Soft Hand / Sticky Back

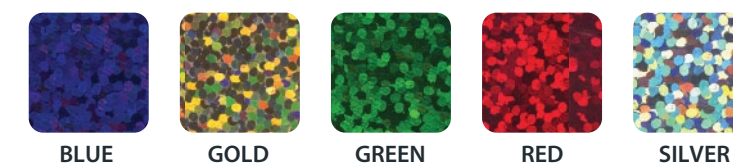

## Metal Flake

## Dal-Glitter™

## Kiss - Cut Custom Lettering, Logos & Designs

Ready to sew! Kiss-Cut appliqué come as one piece requiring only one placement.

Dalco will place together your multi-color, custom names, logos and designs with up to three colors. You will receive it placed together as a single unit, ready to be sewn. No longer will you need the time to press the colors together.

- » Additional charge per color added
- » EasyStitch™ sew file available
- » Not available in Metallic twill

# PPST Permanent Twill

## PPST Permanent Heat Applied Twill

yields a “real thin edge” to contrast

with base colors and with only one

thickness of less weight, results in

better flexibility on the garment.

Multi-color designs are Kiss-Cut for

quick placement and heat applica-

tion. Add a number or individual

name to give your twill application

a finished touch.

## Ball Cap Letters

Two - color is weeded to leave a 'real thin edge' RTE to contrast with the base color and only one thickness for less weight and better flexibility on the garment. 2-color is Kiss-Cut for quick placement and heat-on.

- » 1-color / 2-color RTE is Kiss-Cut
- » No sewing necessary
- » Minimum Order : 10 and increments of 5 thereafter

## PPST Permanent Twill Designs & RTE (Real Thin Edge)

- » Available in 1 , 2 or 3-color
- » RTE is Kiss-Cut
- » Prices based on square inches (overall height x width)
- » Minimum Order : 10 and increments of 5 thereafter
- » Price doubles for 2-color
- » Price triples for 3-color

### Split Designs

- » Additional charge to split name
- » Price doubles for 2-color
- » Price triples for 3-color

## PPST Permanent Twill Numbers & RTE (Real Thin Edge)

- » Available in 1 , 2 or 3-color
- » RTE is Kiss-Cut
- » 4", 6", 8", 10", 12"
- » Order by individual Pro Team numbers 0 - 99
- » Pricing is the same for single or double digit number

## PPST Permanent Twill Individual Names & RTE (Real Thin Edge)

- » Permanent twill available as 1-color only
- » Kiss-Cut RTE available as 2-color only
- » 2" and 3"
- » Pricing is per name

## Pre-Spaced Permanent Twill Names

- » Comes on Mylar transfer carrier
- » Requires only 1 placement
- » Heat-apply directly to garment, no sewing required
- » 1-color only
- » 2" and 2½"
- » Maximum length : Adult 14" , Youth 12"
- » Orders of fewer than 5 will incur an up-charge
- » Pricing is per name

# StockStitch™ Letters & Numbers

Letters and numbers specially designed and cut for automatic machine sewing!

### It's simple.

Dalco's StockStitch™ is a Windows - based program for automated sewing of stock letters, numbers and appliqué shapes.

### It's flexible.

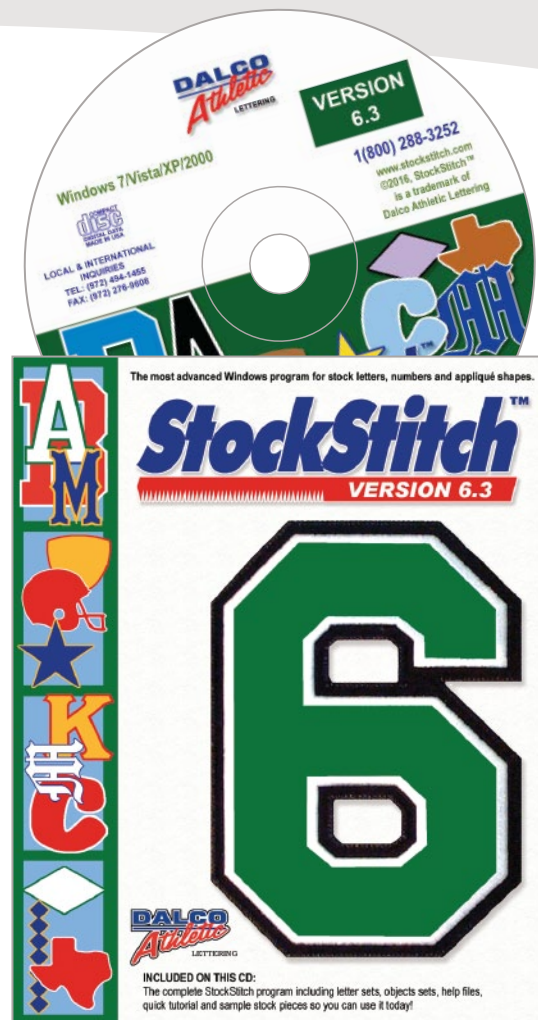

StockStitch™ uses a library of stock letters, numbers and appliqué shapes which you can arrange into an unlimited number of custom designs. The easy-to-use Windows interface makes creating exciting appliqué designs extremely simple. You can use zig zag or satin columns to sew down the appliqués and have complete control of stitch densities and column widths. StockStitch™ is a stand-alone program and not require any editing or merging.

### Order by packs

All Dalco StockStitch™ letters and numbers are sold in handy 10-packs. All Dalco StockStitch™ backgrounds are sold in handy 5-packs.

Be sure to mention StockStitch™ when ordering, as the shape of die-cut letters will not match the shape of StockStitch™ letters.

StockStitch™ letters, numbers and shapes are cut to order and therefore not returnable.

## Pre-Spaced Pro-Twill Plackets

### "The Ultimate Placket"

1-color name on a contrast placket (Kiss-Cut)

Letters	Placket Size Adult
2"	2 3/4" x 15"
3"	4" x 15"
4"	4 1/2" x 15"

Letters	Placket Size Youth
2"	2 3/4" x 12"
3"	4" x 12"
4"	4 1/2" x 12"

Use the StockStitch™ Program to auto-sew the Pre-Spaced Pro-Twill™ Name Plackets.

**Note :** The placket sizes are listed as an "Object Set" in StockStitch™ .

The most important point to remember is when you type the name on the placket, **Do Not Move or Kern the Letters. The program will not correctly sew if you alter or change the spacing between the letters.**

### How to Sew Pre-Spaced Pro-Twill™ Plackets

1. Once you have installed your StockStitch™, open the program and go to OBJECT POPUP ICON.
2. Select the PLACKETS and click APPLY, e.g. ADULT 3 (Adult placket for 3" letters).
3. Once the placket is on the screen, go to TEXT POPUP ICON and select any 3" letter font, type in any name and click APPLY. Now you have the placket and name on the screen.
4. Use layer bar and select a different color for name (remember you sew appliqué by layers).
5. While name is selected, click on Kiss-Cut button, click apply and the placement stitch for the name will be created.
6. The name and the placket are now ready to export. It will sew only one placement stitch for the placket. Stop. Place placket with pre-spaced name. It will then sew the edge of the placket and then go directly to the name and sew. You're finished!

## DalCrystals™

DalCrystals™ come in fifteen colors and two sizes - 3mm (packs of 144) 4mm (packs of 72)

## DalCrystals™ Accessories

DalWand - Includes wand, 8 attachments and stand.

- A longer-lasting transfer for almost any garment including nylon and nylon tricot mesh. Not recommended for satin-finish jackets.
- » Priced by number of sheets in increments of 12 - 19 (minimum), 20 - 40, 41 - 75, 76 - 150, 151 - 300 and 301 - 600
  - » Standard art 1-color
  - » Special art 1-color
  - » Ganged (same image) one-color

## Application Instructions

- » 350° medium pressure for 15 seconds
- » Preheat garment before application
- » Rub paper until cool and peel paper off

## Hot Peel

This transfer is made for application to cotton or poly/cotton blends and has the appearance of direct silk screen when properly applied. Apply to light or white and pastel synthetic fabrics.

- » Priced by number of sheets in increments of 12 - 19 (minimum), 20 - 40, 41 - 75, 76 - 150, 151 - 300 and 301 - 600
- » Standard art 1-color
- » Special art 1-color
- » Ganged (same image) 1-color

## Application Instructions

- » 350° medium pressure for 15 - 20 seconds
- » Preheat garment before application
- » Remove paper immediately

## Regular Flex

An economical material that applies to cottons, polyesters, and blends, but not to nylon.

- » Priced by number of sheets in increments of 12 - 19 (minimum), 20 - 40, 41 - 75, 76 - 150, 151 - 300 and 301 - 600
- » Standard art 1-color
- » Special art 1-color
- » Ganged (same image) one-color

## Helpful Hints

- » Provide artwork in largest available size for best results
- » A sketch will help in achieving your intended design
- » Art specified as "camera ready" will be used "as is" with no charges or clean-up
- » Prices include normal and set-up charge
- » Intricate designs and artwork requiring extensive clean-up may require additional charges (per hour), with one hour minimum charge
- » Faxed sketches and instructions are welcome, however, we recommend not using them for reproduction as extensive clean-up charges are incurred
- » Color change of the same design requires additional charge
- » For larger quantities call for a quote
- » For 2-color designs, double the price of Special Art
- » For 3-color designs, triple the price of Special Art
- » For 4-color designs, quadruple the price of Special Art
- » Printing on 12" x 16" paper requires additional charge
- » Standard Art is all designs listed on art page with lettering added and manipulated to customer specifications. All custom artwork created for customer incurs art charge.
- » All transfer orders are custom and require written purchase orders
- » No returns

# Heat Sealing Guidelines

TYPE	RECOMMENDATIONS	TEMP (F)	TIME (Seconds)	COMMENTS
<b>Dal-Plus™</b>	Apply to cotton , poly / cotton , polyester mesh , spandex and fleece. No nylon or dazzle fabric.	335°	20	Matte finish , soft hand , sticky back. Firm pressure , remove Mylar warm. Two-color : Heat background for 5 seconds. Remove Mylar warm. Place top color and cover w/Daltron paper. Reheat for 15 seconds.
<b>Dal-Nylon™ XTRA</b>	All fabrics above and nylon shirts , jackets and most bags.	310°	2 Steps	Heat for 3 - 5 seconds , peel cool. Cover with Daltron paper , reheat for 10 seconds. Firm pressure. Two-color : Heat background for 3 - 5 seconds. Remove Mylar cool. Place top color and cover w/Daltron paper. Reheat for 10 seconds.
<b>Dal-Fashion™</b>	Apply to cotton , poly / cotton , polyester , spandex and lycra. No nylon , dazzle or moisture -wicking materials.	315°	20	Peel warm. Cover with Daltron paper , reheat for 2 seconds. Firm pressure.
<b>Dal-Glitter™</b>	Apply to cotton , poly / cotton , polyester , spandex , lycra and fleece. No nylon , dazzle or moisture -wicking materials.	335°	2 Steps	Multi - color holographic particles. Heat 3 - 5 seconds , peel warm. Cover with Daltron paper , reheat for 10 seconds. Firm pressure.
<b>Dal-Sparkle™</b>	Apply to cotton , poly / cotton , polyester and fleece. No nylon , dazzle or moisture -wicking materials.	300°	10 - 12	Peel cold. Medium to firm pressure. Will not stretch or layer.
<b>Permacad™</b>	Has the same characteristics as Vin-Flex™ , but comes on a Mylar backing. Applies to most fabrics and nylon mesh. Do not use on windbreakers.	335°	15	Rub Mylar with heat eraser for easier release. Peel cool. Cover with Daltron paper and reheat for 3 seconds. Two-color : Heat background for 5 seconds. Remove Mylar cool. Place top color and cover w/Daltron paper. Reheat for 15 seconds.

TYPE	RECOMMENDATIONS	TEMP (F)	TIME (Seconds)	COMMENTS
<b>E-Film</b>	Heat applied vinyl with a gloss finish. Lighter version of Vin-Flex™.	350°	5	Turn fabric down. Place film paper-side up. 30 lbs pressure. Let cool 10 seconds before peeling paper.
<b>Pro-Film™</b>	Heat applied vinyl with a gloss finish. Lighter version of Vin-Flex™.	335°	15	Remove paper and cover with Daltron paper. Medium pressure. Two-color : Remove paper from both layers. Position top color on background. Cover w/Daltron paper. Heat for 15 seconds.
<b>Safety Reflective</b>	All fabrics including nylon.	320°	2 Steps	Heat 20 seconds. Peel cold. Cover with Daltron paper. Reheat for 2 - 3 seconds. Firm pressure.
<b>Subliblock</b>	Apply to cotton , poly / cotton , polyester and fleece. No nylon , dazzle materials.	320°	17 - 20	Remove Mylar warm. Firm pressure. Helps to stop dye migration in dyed poly materials.
<b>Vin-Flex™</b>	Applies to most fabrics , nylon mesh. Do not use on nylon windbreakers.	335°	15	Peel paper warm. Medium pressure. Two-color : Heat background for 5 seconds. Peel paper warm. Place top color and cover w/ Daltron paper. Reheat for 15 seconds.
<b>Pro-Twill</b>	The answer for 'tackle twill'. Applies to any fabric as long as it can be sewn.	335°	5 - 8	Must be sewn.
<b>Dye-Sub Twill</b>	<b>To be sewn</b>  <b>Permanent Adhesive</b> Apply to cotton , poly / cotton , polyester and fleece. No nylon , dazzle , moisture-wicking materials , mesh or porthole.	335° 340°	5 - 8 20	Must be sewn.  Cover sublimated twill w/ Kraft paper before heating.
<b>Dye-Sub Paper</b>	Apply to 100% WHITE polyester only.	395°	55	Position dye-sub paper on garment. Use blue tape to hold in place. Cover with Kraft paper and heat.
<b>Dal-Crystals™</b>	Apply to cotton , poly / cotton and polyester. No nylon , dazzle , or moisture-wicking materials.	340°	20	Position Mylar with crystals. Firm pressure. Remove Mylar cool. Cover with Daltron paper and reheat for 2 seconds.
<b>Thermo Image</b>	Apply to cotton , poly / cotton , polyester , moisture-management and fleece. No nylons.	325°	17	Peel backing. Remove Mylar warm. Medium pressure.
<b>PPST Perm Twill</b>	Apply to cotton , poly / cotton , polyester , fleece and acrylic. No nylon , mesh or porthole.	335°	15 • 1-color 20 • 2-color 25 • 3-color	Peel clear backing. Cover with Daltron paper. Medium pressure. Remove Daltron cool (NOT HOT)
